

# International Journal of Innovation, Management and Technology

## CONTENTS

---

---

### Volume 4, Number 5, October 2013

- Random Board: Password Authentication Method with Tolerance to Video-Recording Attacks.....455  
*Y. Hirakawa*
- Prediction of Success or Fail of Students on Different Educational Majors at the End of the High School with Artificial Neural Networks Methods.....461  
*Sayyed Majid Mazinani and Sayyede Azam Abolghasempur*
- An Adaptive Scheduling Algorithm Using Period Adjustment.....466  
*Shri Prakash Dwivedi*
- Context Framework Extracting Based on Short Text.....471  
*Xu Xiaoqing and Wang Jingzhong*
- Cloud Computing and Its Applications in e-Library Services: Nigeria in Focus.....476  
*Richard Chukwhu Ogbu and Ahmed Lawal*
- Intrusion Detection System for High Volume and High Velocity Packet Streams: A Clustering Approach.....480  
*Dinkar Sitaram, Manish Sharma, Mariyah Zain, Ankita Sastry, and Rishika Todi*
- A Novel Approach for Clustering Categorical Data Streams.....486  
*J. Chandrika and K. R. Ananda Kumar*
- The Influence of e-Commerce on Music Product in Indonesia.....490  
*Reni Diah Kusumawati, Teddy Oswari, and Tristyanti Yusnitasari*
- Preparation of Papers a Cost Effective Prototype for Electrooculogram for Effective Eye Tracking.....494  
*B. S. Megha Parameshwari, B. S. Madhurya, and K. Uma Rao*
- SONAR Validation for SLAM.....498  
*Akshay Kumar Shastry, Sanjay Anand, V. Chaitra, K. Uma Rao, and D. R. Akshay*
- Automatic 3D Brain Image Registration – Survey.....502  
*G. Babu and R. Sivakumar*
- A Differentiated Real-Time Routing Protocol along with Re-Routing Policy in Wireless Sensor Networks...506  
*Sayyed Majid Mazinani, Elham Sadr, and Ali Naderi*
- Code Generator Amelioration Using Genetic Algorithm Techniques.....512  
*P. Cockshott and Y.Gdura*
- Introduce a Model of Demand-Side Response Load Management Comparison with Electrical Peak Demands in Mashhad City via Smart Grid Approach.....518  
*Sayyed Majid Mazinani and Nafiseh Zaeefi*

Agriculture Updates via SMS –A Cloud Computing Approach.....	523
<i>Praveen B. and Viswesh M.</i>	
Analysis of Bandwidth Utilization for Wireless Mesh Networks.....	528
<i>Nagendra Sah, Neelam Rup Prakash, and Deepak Bagai</i>
